A Three-Course Christmas Carol

Entertainment provided by Young Baggage Productions, a Harrogate based Theatre Company

A Three-Course Christmas Carol is a hilarious re-telling of Dickens' classic tale of redemption. There are four acts, which are performed in between the courses of a festive evening meal. Ebenezer Scrooge, the world's most miserable man, is being played by the world's grumpiest actor. Unbeknownst to him, the rest of the cast are stuck in traffic, forcing the hapless stage manager to play every other role in the play (with occasional help from the audience). An evening of food, song, love and laughter!
